

## Declaration of Conformity RoHS

July 2018

**We hereby confirm that ABL SURSUM products meet the requirements of the European Directive 2011/65/EU.**

**FYI:**

The declaration of conformity also includes the extended requirements resulting from the amendment of Annex II (Directive 2015/863/EU of 31 March 2015).

The necessary records according to the minimum standards of the European Guideline 2011/65/EU are created and kept for inquires of the market surveillance authorities or we committed our suppliers to do so. The verification of RoHS is done on the basis of Harmonised Standards, as far as these were published in the Official Journal of the European Communities. In any other case we will state our test regulations if requested.

Latest information on our products and our Integrated Management System you will find on our homepage [www.abl.de](http://www.abl.de)
